Dear Mr. Bacak,

I received your letter dated February 13, 2018, expressing your concerns about the building project at St. Joseph in Moulton. I appreciate your concern and followed up on the matter.

In November, Father Maison and two members of parish leadership presented the idea of the project to the Diocesan Building Commission and received permission to proceed. They have been following the appropriate protocol and I have personally approved this.

Again, thank you for your concern. God bless you, let's keep each other in prayer.

Sincerely,

The Most Reverend Brendan J. Cahill
Bishop of Victoria in Texas
